WHO DECIDES

- **Decision maker:** Not determined
- **The gate:** Not determined
- **Relationship holder:** Not determined

STRONGEST CASE AGAINST

- **Against:** Moynihan said Bank of America will “stop replacing head count attrition” in some areas [6], and headcount fell from 300,000 to 212,000 [16], so an AI pitch may sound like fewer people.
- **Against:** Moynihan plans to stay through end of decade [17], so no handover forces action.
- **Reverses if:** his office already runs a sourced meeting-prep tool.

MEETING ANGLE

This meeting

- **Frame:** applying AI “at scale”, in his words [5]; not a pitch.
- **Lands:** numbers [11]. **Repels:** replacing people [6].
- **What to bring:** one sourced page on a person Moynihan will meet [13].
- **The ask:** a second 30-minute meeting with Moynihan or whoever prepares his meetings [13] · **Fallback:** 30 minutes with the AI adoption owner.
- **Stop if:** he says executive preparation is settled.

Meeting two

- **Meeting two:** walk through a page on a person he picks [5].

MEETING SCRIPT

Facts select the moves; read the room, never the record · Brian Moynihan, Bank of America · Prepared Oct 13, 2026

1. OPEN

- **Hook:** *You asked "Can you apply it at scale?" [5]. I'd like to show you one place where that test is met.*
- **Credibility:** I'm from Talyx; we make AI meeting-prep for executive teams [13].
- **Insight:** Bank of America associates send more than 400,000 prompts a day [11]; preparing for a meeting is one more place a sourced page helps.
- **Rule:** stop after the hook and let him answer first.

2. QUESTION ORDER

- **Story:** Moynihan said "AI is kicking in more and more" [4]; where does it show first in a day at Bank of America?
- **Process:** Moynihan asks whether AI works "at scale" [5]; what stops a Bank of America use case reaching scale?
- **Gate:** Who besides Moynihan decides which AI tools reach the Bank of America leadership team?
- **History:** Athanasia, DeMare and Borthwick are named as possible successors [7]; how do they prepare for decisions today?
- **Commitment:** What would make a second 30-minute meeting worth Moynihan's time?

3. OBJECTIONS: NAME IT, THEN ANSWER

- **"Bank of America builds its own AI."** *Yes, 114 live generative AI use cases [11]. This adds sourced preparation for one meeting.*
- **"AI means fewer people here."** *You said attrition is not replaced in some areas [6]; this makes the people who stay better prepared.*
- **"I have no time."** *Thirty minutes, once; I send one page first [13].*

4. CLOSE

- **Restate:** ask what would make it an easy yes, then say it back in his words.
- **The ask:** a second 30-minute meeting with Moynihan or whoever prepares his meetings [13] · **Fallback:** 30 minutes with the executive who owns AI adoption at Bank of America.
- **Follow-up:** one sample page, the next day.

5. IF IT STALLS

- **The move:** return to his words: "Can you apply it at scale?" [5].
- **The move:** ask how the co-presidents' teams prepare for decisions [7].

6. GUARDRAILS

- **Rule:** promise no results at Bank of America; make no performance or comparative claims.
- **Never say:** "Does that make sense?" · "Is this helpful?" · "No pressure" · "You'd know better than me" · "Just checking in"

Next step: send one sample page by Oct 16, 2026 [13].
