SIGNALS AND WHAT TO DO WITH THEM

OBSERVABLE	WHAT TO DO WITH IT
Dimon wants JPMorgan Chase to "get better" at AI [4]	He cares about quality of use, so talk about better outcomes, not more tools
Talyx offers AI meeting-prep for executive teams [13]	Executives walk in knowing more, every fact sourced
Dimon's succession is reported at about three years [2]	A handover makes how the top team prepares worth raising now

WHO DECIDES

- **Decision maker:** Not determined
- **The gate:** Not determined
- **Relationship holder:** Not determined

STRONGEST CASE AGAINST

- **Against:** JPMorgan Chase's 2026 job cuts are reported at their highest since 2015 [14], so Dimon may hear an AI pitch for executives as more headcount news.
- **Against:** Dimon's own succession timing has shifted, from under five years to a remark his spokespeople called a joke [15].
- **Reverses if:** his team already runs a sourced meeting-prep tool.

MEETING ANGLE

This meeting

- **Frame:** how Dimon's team gets better at AI, in his words [4]; not a pitch.
- **Lands:** numbers [4]. **Repels:** AI replacing people [14].
- **What to bring:** one sourced page on a person Dimon will meet [13].
- **The ask:** a second 30-minute meeting with Dimon or whoever prepares his meetings [13] · **Fallback:** 30 minutes with the executive who owns AI adoption at JPMorgan Chase.
- **Stop if:** he says executive preparation is settled.

Meeting two

- **Meeting two:** walk through a page on a person he picks [4].
- **Meeting three:** a trial with his top team [2].

After the meeting

- **Capture:** who prepares his meetings today.

MEETING SCRIPT

Facts select the moves; read the room, never the record · Jamie Dimon, JPMorgan Chase · Prepared Oct 13, 2026

1. OPEN

- **Hook:** *You told Davos JPMorgan Chase has 500 AI use cases and "you got to get better at it" [4]. I'd like to show you one place that gets better.*
- **Credibility:** I'm from Talyx; we make AI meeting-prep for executive teams [13].
- **Insight:** Your April letter says AI will enhance some jobs [3]; preparing for meetings is one.
- **Rule:** stop after the hook and let him answer first.

2. QUESTION ORDER

- **Story:** Dimon's letter says AI will eliminate some jobs while enhancing others [3]; which JPMorgan Chase roles get redeployed first?
- **Process:** You told Davos JPMorgan Chase has 500 AI use cases [4]; which one still lacks a clear measure of results?
- **Gate:** Who besides Dimon decides which tools his executive team at JPMorgan Chase tries?
- **History:** Dimon may stay about three more years [2]; what must his successor inherit from how he prepares?
- **Commitment:** What would make a second 30-minute meeting worth Dimon's time?

3. OBJECTIONS: NAME IT, THEN ANSWER

- **"JPMorgan Chase already has its own AI."** *Yes, 150,000 people use it weekly [4]. This adds sourced preparation for one meeting.*
- **"I have no time."** *Thirty minutes, once; I send one page first [13].*
- **"AI is cutting jobs here."** *Your letter says it enhances others [3]; this makes preparation better, not smaller.*

4. CLOSE

- **Restate:** ask what would make it an easy yes, then say it back in his words.
- **The ask:** a second 30-minute meeting with Dimon or whoever prepares his meetings [13] · **Fallback:** 30 minutes with the executive who owns AI adoption at JPMorgan Chase.
- **Follow-up:** one sample page, the next day.

Next step: send one sample page by Oct 16, 2026 [13].

5. IF IT STALLS

- **The move:** return to his words: "you got to get better at it" [4].
- **The move:** ask how a handover in about three years changes how his team prepares [2].

6. GUARDRAILS

- **Rule:** promise no results at JPMorgan Chase; make no performance or comparative claims.
- **Never say:** "Does that make sense?" · "Is this helpful?" · "No pressure" · "You'd know better than me" · "Just checking in"
